

Philips Daily Collection
Food processor

650 W

Compact 2 in 1 setup
2.1 l bowl
Accessories for + 25 functions

HR7628/01

Maximum variety of recipes, minimum effort

Create homemade breads, cakes, drinks and more

This Philips Daily collection Food Processor has a compact design including a 2.1-l bowl and 1.75-l blender and a variety of high-performance accessories. Preparing delicious homemade food has never been so easy!

Powerful precision

- PowerChop technology for superior chopping performance

Maximum variety of recipes

- Emulsifying tool for cream and egg whites
- High-performance stainless steel disc inserts
- Sharp and strong stainless steel S blade for chopping
- Up to 5 portions in one go

Easiest assembly, use and cleaning

- 2 speed settings and pulse for maximum control
- 40% larger feeding tube (compared to Philips HR7625)
- 650-Watt motor for powerful processing
- Dishwasher-safe accessories
- No mess from the centre of the bowl due to lack of inner shaft

Reliably durable

- Break resistant jar

Highlights

2 speed settings and pulse

For best results, use the low speed setting (speed 1) to whip cream, beat eggs, create pastries and bread dough. The higher speed setting (speed 2) is well suited to chop onions and meats, blend soups and smoothies or shred, slice, grate or rasp vegetables.

40% larger feeding tube

The new Philips Daily collection Food Processor comes with a feeding tube that is 40% larger than the previous HR7625 model, saving time on pre-cutting fruits and vegetables

Powerful processing

This Philips Food Processor offers a powerful motor providing power and control to prepare all your favourite recipes.

Up to 5 portions in one go

The generous 2.1-l bowl (1.5-l working capacity) enables you to blend up to 5 portions of soup in one go.

Dishwasher-safe accessories

All accessory parts of your Philips food processor can be put on the top rack of your dishwasher for easy cleaning.

Break resistant jar

1.75-l (1 l working capacity) break resistant jar makes up to 5 smoothie portions.

Emulsifying tool

The perfect tool for whipping, whisking or emulsifying eggs or whipped cream. For best volume increase and fluffiness, use the low speed setting. Creating delicious desserts or mayonnaise has never been easier!

Stainless steel disc inserts

Simply select the right stainless steel disc insert to prepare your favourite ingredient and click it onto the disc holder. Performance has been tested extensively to provide the best slicing and shredding results.

Philips Green Logo

Philips Green Products can reduce costs, energy consumption and CO2 emissions. How? They offer a significant environmental improvement in one or more of the Philips Green Focal Areas — Energy efficiency, Packaging, Hazardous substances, Weight, Recycling and disposal and Lifetime reliability.
