Highlights

Anti-splash blade guard

The special wave shape in the bottom part of the handblender blending bar guarantees no splashes or mess while you blend.

Whisk accessory

Single whisk accessory for Philips hand blender for whipping cream, mayonnaise, pan cake batter and more. Makes your hand blender multifunctional and versatile.

XL chopper accessory

With the XL chopper accessory (1000ml) for a Philips hand blender you can chop large

quantities of meat, herbs, nuts, cheese, chocolate and onions in seconds.

2-button release system

With the 2-button release system of the Philips handblender it is easy to remove the blending bar for easy cleaning.

ProMix blending technology

Developed together with the prestigious Stuttgart University, Philips ProMix is a unique, advanced technology that uses a specific triangular shape to create optimal food flow and maximum performance for faster and more consistent blending.

0.5 L beaker

With the 0.5L beaker you can measure the ingredients for your recipes, but also quickly blend soups, purees or shakes.

650 Watt Motor

650W

With the powerful motor of 650 Watt almost any ingredient can be blended.

Turbo function

With the Turbo function of the Philips handblender you can cut even the toughest ingredients.
