**PHILIPS**

## Features

### Anti-splash blade guard

The special wave shape in the bottom part of the handblender blending bar guarantees no splashes or mess while you blend.

### Whisk accessory

Single whisk accessory for Philips hand blender for whipping cream, mayonnaise, pan cake batter and more. Makes your hand blender multifunctional and versatile.

### XL chopper accessory

With the XL chopper accessory (1000ml) for a Philips hand blender you can chop large quantities of meat, herbs, nuts, cheese, chocolate and onions in seconds.

### 2-button release system

With the 2-button release system of the Philips handblender it is easy to remove the blending bar for easy cleaning.

### ProMix blending technology

Developed together with the prestigious Stuttgart University, Philips ProMix is a unique, advanced technology that uses a specific triangular shape to create optimal food flow and maximum performance for faster and more consistent blending.

### 0.5 L beaker

With the 0.5L beaker you can measure the ingredients for your recipes, but also quickly blend soups, purees or shakes.

### 650 Watt Motor

# 650W

With the powerful motor of 650 Watt almost any ingredient can be blend.

### Turbo function

With the Turbo function of the Philips handblender you can cut even the toughest ingredients.
