**PHILIPS**

Steam iron  
Steam 40g/min;150g steam boost SteamGlide soleplate, Anti-calc, 2400 Watts

GC2988/86

## Highlights

### 2400 W for quick heat up

2400 W for quick heat up and powerful performance

### Steam up to 40 g/min

Continuous steam output of up to 40 g/min gives you the perfect amount of steam to efficiently remove all creases.

### Steam boost up to 150 g

The iron's 150 g steam boost enables you to easily remove even the most stubborn creases.

### SteamGlide soleplate

SteamGlide soleplate is the best Philips soleplate for your steam iron. It has great scratch resistancy, glides excellent and is easy to clean.

### Calc clean slider

This steam iron can be operated with normal tap water and the calc clean slider makes it easy to remove any built-up scale out of your iron. To

maintain the performance of your Philips steam iron, you should use this scale clean function once a month when using normal tap water.

### Drip-stop system

The Drip Stop system of your Philips steam iron lets you iron delicate fabrics at low temperatures without having to worry about stains from water droplets.

### Robust heelrest

This iron features a specially designed extra large heelrest, which gives extra stability when it is put in vertical position.

### Safety auto off

The iron shuts off automatically when left unattended. If it is left on it's heelrest it will switch off in 8 minutes. When left on the soleplate or on the side, it only takes 30 seconds before the iron shuts off.
