# Highlights

### S-shaped handle design

The ergonomic handle is easy to hold and steer for maximum control and optimal reach on all body areas.

### Micro ridged ceramic discs

Our epilator head is unique in being made from a rough ceramic material that grabs hair firmly, even fine hairs won't slip from its grip.

### Extra wide epilator head

Extra wide epilator head covers more skin with every stroke for faster hair removal.

### Patented epilation system

All of our Philips epilators have a unique system where the tweezers lift and gather the

lying hair, guide them to the pulling point firmly grabbing and pulling out the hair. Combined with the unique round ceramic discs it epilates closer to the skin for optimal results and more gentleness.

### Wet & dry use

For a gentle and comfortable use during your shower or bath routine with anti slip grip for optimal wet & dry use.

### Opti-light

Unique light ensures you don't miss fine hairs for best epilation results for all body parts.

### 90 degree angle

The Philips Satinelle will always give you the best performance when used at a 90 degree angle.
