

Steam iron

- 2000 W
- Anti-calc
- Non-stick soleplate

GC1432

Easy and Effective

3 ways to make your ironing easier

This comfort steam iron makes your ironing easy and effective with lots of continuous steam and the non-stick soleplate soleplate makes your gliding easier. With comfort iron the ironing job is now made simpler.

Benefits

Easy gliding on all fabrics

- Easy gliding on all ironable garments

Longer lifetime

- Calc clean slider to easily remove scale out of your iron

Easy to remove creases

- A fine spray evenly moistens the fabric
- Power up to 2000 W enabling constant high steam output

- Continuous steam up to 25 g/m for good crease removal

Easy to start ironing

- Triple precision tip for optimal control and visibility
- Large water tank 220ml and convenient water filling
- Bigger temperature dial for easier temperature adjustment

PHILIPS

Features

Spray

The spray function produces a fine mist that evenly moistens the fabric, making it easier to iron out creases.

Triple precision tip

The tip of this Philips iron is precise in 3 ways: it has a pointed tip, button groove and a sleek design of the nose. Triple Precision tip enables you to reach even into the most tricky areas, e.g. around the buttons or between the pleats.

Power up to 2000 W

Power up to 2000 W enables constant high steam output.

Non stick soleplate

The soleplate of your Philips iron is coated with a special non-stick layer for easy gliding performance on all ironable garments.

Large water tank

Less refilling with the extra-large 220 ml water tank so you can iron more clothes in one go.

Temperature dial

Continuous steam up to 25 g/m

Continuous steam up to 25 g/m for good crease removal.

Calc clean slider

This steam iron can be operated with normal tap water and the calc clean slider makes it easy to remove any built-up scale out of your iron. To maintain the performance of your Philips steam iron, you should use this scale clean function once a month when using normal tap water.

Specifications

[field not found 'disclaimer_text']

Fast crease removal

Voltage	240 V
Water spray	Yes

Easy to use

Soleplate name	Non-stick
Water tank capacity	220 ml
