Highlights

2400 W to heat up quickly

Delivers a fast warm-up and powerful performance.

Steam boost up to 170 g

Penetrates deeper into fabrics to easily remove stubborn creases.

Continuous steam up to 45 g/min

Strong and consistent steam output to remove creases faster

Vertical steam

The vertical steam function lets you refresh garments right on the hanger and remove creases from curtains as they hang. No ironing board required.

SteamGlide soleplate

Our exclusive SteamGlide soleplate moves smoothly over any fabric. A durable, 5 layer coating—including anti-corrosive base—makes it last longer. Non-stick, scratch-resistant and easy to keep clean.

Built-in calc-clean slider

This iron operates with ordinary tap water. Calc-clean is a built-in cleaning function to remove calcium build-up, or lime scale, and maintain peak performance.

Quality-tested cord

All our steam iron cables are rigorously tested for maximum safety and durability.

Automatic shut-off

The iron shuts itself off if you leave it standing still. On its heel rest, it will automatically switch off in 8 minutes. Lying flat, it shuts down after 30 motionless seconds.
