

# KitchenAid Coffee Maker with One-Touch Brewing

## 5KCM1204

- **Coffee Maker with 1.7 L (12 cups) carafe**  
Easy to use, one touch selections for brew strength, small batch and brewing
- **Variable brew strength selector**  
Allows you to choose between regular and bold strengths while delivering a full-bodied cup every time
- **24-hour programmability and intuitive one-touch programming with vibrant white LED-display**  
To have the coffee ready at a precise time, day or night  
Easy to read, simple operation, no menus to navigate
- **Small batch brew mode (1-4 cups)**  
Automatically adjusts to optimize heating and saturation time for the best flavour in small batches  
Fill the tank only with the amount of water needed
- **Pause and pour**  
Stops the brewing cycle at any time, allowing you to pour a cup of coffee before brewing is complete
- **Timeless design inspired of the KitchenAid stand mixer**  
Sleek and compact

ONYX BLACK

## STANDARD ACCESSORIES

### Replaceable charcoal water filter

To reduce contaminants that can impair coffee flavour in tap water or well water, suitable for drinking.

Fits in the filter assembly in the water reservoir.

Filter assembly dishwasher-safe.

### Re-usable gold-tone permanent filter

Easy to use and to clean.

If you do not want to use the gold-tone filter, use a flat bottom paper coffee filter instead.

Dishwasher-safe.

### Water tank with easy to read water window

Flip up lid for easy filling.

Includes filter installation.

## OPTIONAL ACCESSORIES

### Insulated Carafe Sleeve 5KCMSLEEVE

Keeps your coffee hotter, longer. Secures easily around the carafe with a magnetic closure.

Made out of Neoprene.
