- Swivel cord to prevent tangled wires
- 2 years of worldwide guarantee

**PHILIPS**

## EssentialCare

### Features

#### Long plates

The longer plates enable a better contact with the hair and help you achieve perfect straightening results in less time.

#### 210°C professional temperature

This high temperature enables you to change the shape of your hair and gives you that perfect look you want.

#### Instant heat up

The straightener has a fast heat up time, being ready to use in 60 seconds

#### 1.8 m cord

#### Handle closing lock

The straightener has a closing lock mechanism. Located at the base of the straightener, this locks plates, making storage quick and easy and helping to protect the straightener from accidental damage.

#### Universal voltage

Worldwide voltage for getting the perfect travel companion

#### Swivel cord

Useful swivel cord technology rotates the cord to prevent tangled wires.

#### 2 years guarantee

2 years of worldwide guarantee.

#### Ceramic Tourmaline coating

Ceramic Tourmaline plates emit negative ions which creates shiny, static and frizz-free hair.
