

beard trimmer

- 1 mm precision settings
- Stainless steel blades
- 30 min cordless use/8 h charge
- USB charging

QT3310/13

Consistent performance time after time

Up to 30-min run time with USB cable

This beard trimmer is designed to be charged with any micro-USB cable. It fully charges in 8 hours and runs for up to 30 minutes. The stainless steel blades are self-sharpening, giving you the same hassle-free experience as on day 1.

Benefits

Skin-friendly performance

- Stainless Steel Blades for long-lasting sharpness
- Skin-friendly blades for zero trim

Precision

- 10 lock-in length settings, 1-mm precision

Easy to use

- 30 minutes' run time after 8 hours' USB charging
- Detachable head for easy cleaning
- Ergonomic design for easier handling
- 2-year guarantee, worldwide voltage, no oiling needed

PHILIPS

Features

Stainless Steel Blades

Get a perfect yet protective trim, time after time. The trimmer's steel blades lightly brush against one another, sharpening themselves as they trim so they stay extra-sharp and as effective as on day 1.

10 lock-in length settings

Get a 3-day shadow look of 1 mm or a full beard of 10 mm in precise 1-mm steps, or remove the comb and get the zero trim look of 0.5 mm.

Cordless use, USB charging

Charge your trimmer for 8 hours with any micro-USB cable to get 30 minutes of cordless use. You can plug it in to your laptop or use an adapter.

Skin-friendly blades

Get a perfect yet protective zero trim, time after time. They also have rounded tips and combs to help prevent skin irritation.

Easy to clean

Detach the head and rinse it under the tap for easy cleaning. Dry it before you put it back on the appliance.

Ergonomic design

Easy to hold and use. Designed to help you trim those hard-to-reach areas.

Built to last

All of our grooming products are built to last. They come with a 2-year worldwide guarantee and worldwide voltage compatibility, and they never need to be oiled.
