

Steam generator iron

- Max 5.2 bar pump pressure
- Up to 200 g steam boost
- 1.3-l fixed water tank

GC6704/36

Iron faster with 2 x more steam*

Powerful, continuous steam works faster than a steam iron, with an easy-to-refill water tank and quick heating up. Compact and lightweight for easy storage.

Benefits

Fast and powerful

- Powerful steam for ultimate crease removal
- Calc-clean container included — no cartridges, no extra cost
- Ceramic soleplate for durability and easy gliding

Compact and convenient

- Large tank for long use
- Lightweight and compact for easy use and storage

PHILIPS

FastCare Compact

Features

Ultra-powerful steam

Strong, continuous steam tackles even the thickest fabrics with ease. Watch stubborn creases melt away with an extra steam boost just where you need it. This extra steam is perfect for vertical steaming to refresh clothes and curtains, too.

Smart descaling

Our built-in descaling system, Smart Calc Clean, reminds you when you need to descale. It also includes a container to make descaling easy. This means no cartridges are required and there are no additional costs.

Ceramic soleplate

Our durable ceramic soleplate glides well on all garments. It is non-stick, scratch-resistant and simple to keep clean.

1.3-l water tank

A 1.3-litre transparent tank gives you more than 1 hour of continuous use. See clearly how much water is left and refill easily at any time under the tap through the large filling door.

Compact and convenient

The lightweight, compact size is perfect for storage and fits conveniently on your ironing board. Exclusive ProVelocity technology makes our steam generators smaller and more compact than ever.

Specifications

Please note that this is a pre-sales leaflet. The contents of this leaflet reflect the best of our knowledge per date and country mentioned above. The contents of this leaflet are subject to change without notice. Philips does not accept any liability as to the contents of this leaflet.

Technology

ProVelocity steam engine	Yes
--------------------------	-----

Fast crease removal

Continuous steam	Up to 110 g/min
Power	2400 W
Pressure	Max 5.2-bar pump
