## Features

### Compatible with Series 9000

SH90 replacement heads are compatible with Series 9000 Shaver (S9xxx), 8000 (S8xxx), Star Wars shaver SW9700 and SW6700.

### V-Track Precision Blades

The patented V-Track Precision Blades gently position each hair at the best cutting angle — even hairs that are flat or different lengths. This allows you to cut 30% closer in fewer strokes, leaving your skin in great condition.

### Super Lift & Cut Action

Shave closer with the dual-blade Super Lift and Cut action. The first blade raises each hair while the second blade comfortably cuts below skin level, for really smooth results.

### Replacement reminder

The latest Philips shavers have an inbuilt replacement reminder in the form of a shaving unit symbol. This symbol will light up and indicate when to replace the shaving heads.
