PHILIPS

Features

Compatible with Series 5000

SH50 replacement heads are compatible with Series 5000 Shaver (S5xxx), PowerTouch (PT8xx) and Star Wars shaver SW5720, SW5710, SW5700.

Replacement reminder

The latest Philips shavers have an inbuilt replacement reminder in the form of a shaving unit symbol. This symbol will light up and indicate when to replace the shaving heads.

Simple replacement

1. Open the shaver by pressing the "release" button;
2. Remove the retaining rings by turning them anti-clockwise;
3. Take out the old shaving heads and carefully insert replacements; check that the heads align exactly in the setting;
4. Replace the retaining rings and secure them by turning the lock clockwise;
5. When you close the shaving head properly, you will hear it click into place.

How to reset your shaver

After replacing the shaving heads, you can reset the replacement reminder by pressing the on/off button for more than 7 seconds. Otherwise, the replacement trigger will turn off automatically after 9 successive shaves.

Specifications

Fits product type	Shaver series 5000 (S5xxx) AquaTouch (S5xxx) PowerTouch (PT8xx, PT7xx) AquaTouch (AT8xx, AT7xx)
Shaving heads per packaging	3

Cleaning

Usage	Use cleaning spray HQ110
-------	--------------------------

Reset your shaver to new

To get back to 100% performance, replace your shaving heads every 2 years.

MultiPrecision blades

Get a shave that's fast and close. Our MultiPrecision blades raise and cut all hairs and remaining stubble – all in a few strokes.

Super Lift & Cut Action

Shave closer with the dual-blade Super Lift and Cut action. The first blade raises each hair while the second blade comfortably cuts below skin level, for really smooth results.
