Highlights

Our fastest epilation ever

Our epilator head is unique in being made from a textured ceramic surface that gently extracts even the finest hairs and those 4x shorter than wax can extract. Now with faster disc rotation than ever before (2200 RPM) for our fastest hair removal.

Extra-wide epilator head

Extra-wide epilator head covers more skin with every stroke for faster hair removal.

Ergonomic S-shaped handle

The ergonomic S-shaped handle is easy to steer for maximum control and better reach with natural and precise movements, all over your body.

Cordless wet and dry usage

Designed with an anti-slip grip, ideal for use with water. Enables a more comfortable, gentle experience in your shower or bath. You can use it cordless for best convenience.

Opti-Light

Opti-light helps you target and remove even the trickiest hairs
