

Steam generator iron

- Up to 520 g steam boost
- 1.8 l detachable water tank
- OptimalTEMP Technology
- Intelligent automatic steam

GC9660/36

The fastest, most powerful iron* just got smarter

With intelligent automatic steam

PerfectCare Elite Plus is the most powerful and fastest steam generator in the world, with ultra-light iron and intelligent automatic steam for ultimate convenience. No temperature setting is required and no burns, guaranteed.

Benefits

No temperature setting needed; no burning, guaranteed

- OptimalTEMP technology, no temperature settings required
- No burns – guaranteed
- Independently tested and approved

Fast ironing with continuous powerful steam

- Powerful steam for ultimate crease removal
- Intelligent automatic steam for faster, easier ironing
- T-ionicGlide soleplate, ultimate gliding and durability
- Easy and efficient descaling system for lasting performance

- Save energy with ECO mode

Ultimate ironing experience

- Light weight and comfortable iron to handle
- Automatic shut-off when iron is left unattended
- Carry lock for safe and easy transport
- Large detachable water tank for easy refilling

PHILIPS

Features

No temperature setting needed

Iron everything from jeans to silk without adjusting the temperature. Thanks to OptimalTEMP, no dial or settings are needed. So there's no more pre-sorting the laundry, or waiting for the iron to heat up and cool down. You're ready for any fabric, any time.

No burns – guaranteed

Thanks to OptimalTEMP technology, we guarantee that this iron will never cause burns to any ironable fabric. You can even leave it resting face down on your clothes or ironing board. No burns, no shine. Guaranteed.

Ultra-powerful steam

Strong, continuous steam tackles even the thickest fabrics with ease. Watch stubborn creases melt away with an extra steam boost just where you need it. This extra steam is perfect for vertical steaming to refresh clothes and curtains, too.

Intelligent automatic steam

Our DynamIQ smart sensor knows exactly when and how the iron is moving, delivering powerful steam where you need it most – for easier ironing and faster results.

Ultra-lightweight iron

The iron is amazingly light and comfortable to handle, gliding easily and reducing wrist strain. Its minimal weight also makes it easy and effective for vertical steaming of curtains and hanging clothes.

T-ionicGlide soleplate

T-ionicGlide is our best soleplate for ultimate gliding performance and maximum scratch resistance. Its stainless steel base is twice as hard as a regular aluminium base, and our patented 6-layer coating with advanced titanium layer glides effortlessly for the fastest results.

Easy De-Calc Plus

Regular descaling protects your iron, extends its lifetime and ensures the best steam performance. Our exclusive Easy De-Calc Plus system collects limescale continuously with an indicator light and audio signal to tell you when it needs emptying. Simply remove the plug and let the water and scale particles flow out.

Auto shut-off

The automatic shut-off function automatically switches off your steam generator iron if it has not been used for a few minutes. This saves energy and gives you peace of mind.

Safety carry lock

Lock your iron securely to the base station for easy carrying around the house and to reduce the risk of accidentally touching the hot soleplate.

Energy saving

Save energy and get the same great results. ECO mode reduces your energy consumption for garments that require less steam.

PerfectCare Elite Plus

1.8 L detachable water tank

1.8-litre transparent tank gives you up to 2 hours of continuous use. When the water tank is empty, you will be reminded by the indicator light and you can refill easily at any time under the tap through the large filling door.

Approved by experts

The Woolmark Gold seal of approval ensures a product is safe to use on any and every wool fabric. Our steam irons with OptimalTEMP technology are the first and only irons, from any brand, to earn this level of certification.

Specifications

Please note that this is a pre-sales leaflet. The contents of this leaflet reflect the best of our knowledge per date and country mentioned above. The contents of this leaflet are subject to change without notice. Philips does not accept any liability as to the contents of this leaflet.

Technology

Auto steam sensor	Yes
Cyclonic steam chamber	Yes
For all ironable fabrics	Yes
No burns	Yes
No temperature settings needed	Yes
OptimalTEMP technology	Yes
Smart Control Processor	Yes
DynamiQ	Yes

Fast crease removal

Continuous steam Power	Up to 155 g/min
Pressure	Max 2700 W
Ready to use	Max. 7.5 bar
Steam boost	2 min
Steam-on-demand	Up to 520 g
Vertical steam	Yes
Voltage	Yes
	220-240 V

Easy to use

Safe on all ironable fabrics	Even delicates like silk
Soleplate gliding performance	5 stars
Soleplate name	T-ionicGlide
Water tank capacity	1800 ml
Detachable water tank	Yes
Hose length	1.7 m
Low water alert	Yes
Power cord length	1.8 m
Precision steam tip	Yes
Ready to use	Sound indicator
Refill anytime during use	Yes
Safety auto off	Yes
Soleplate scratch resistance	5 stars
Tap water suitable	Yes

Scale management

Descaling and cleaning	Easy De-calc Plus
Descaling reminder	Light

Storage

Carry lock	For transportation and safety
Hose storage	Hose storage compartment

Size and weight

Packaging dimensions (W x H x D)	31 x 35 x 51 cm
Product dimensions (W x H x D)	23.3 x 28.5 x 45.3 cm
Total weight with packaging	7.3 kg
Weight of iron	0.8 kg
Weight of iron + base	5.1 kg

Guarantee

2 year worldwide guarantee	Yes
----------------------------	-----

Green efficiency

Energy saving mode	Yes
Energy saving*	50 %
Product packaging	100% recyclable
User manual	100% recycled paper

Packaging dimensions

Height	35.00 cm
Width	31.00 cm
Depth	51.00 cm
Net weight	5.41 kg
Gross weight	7.33 kg
EAN	08710103875369
Number of products included	1
Country of origin	ID
Harmonised Systems Code	851640

* steam rate (norm IEC60311) vs. the 10 best-selling steam generators; tested April 2017.
