

KitchenAid ARTISAN High Performance Blender** 5KSB6060H*SD

- **Limited-edition KitchenAid Blender with unique passion-inspired design: including sleek chrome accents, a passion-inspired trimband with hundreds of miniature red hearts, and logo celebrating 100 years of KitchenAid brand**
Add iconic style to your kitchen

- **Custom, modern, Passion Red colour**
Embodies the energy, strength and shared passion for creating possibility in the kitchen
- **Powerful 3.0 Peak HP Motor*****
Delivers optimal performance and perfect taste for every blend
- **Simple Controls: 1 variable speed dial and 2 switches including Pulse**
For complete and easy control over the texture with a range of variable speeds from 1 - 9
For easy clean-up and convenience
- **2.6 L BPA-free dishwasher-safe Jar with vented, solid-seal lid and removable ingredient measuring cap**
Designed and engineered to further optimize the blender's performance
Easily measuring and adding ingredients while blending
- **Asymmetric stainless steel blade******
Blends at 4 different angles to pull ingredients into the blending vortex for smooth, consistent and exceptional results
- **Tackle tough ingredients with the Tamper**
For extra thick blends
Helps push the ingredients into the blending vortex for a smooth finish
- **Stable die-cast metal base, metal dial and switches**
Sturdy, stable, durable and easy to clean

*European or British plug.

**When testing the actual blender power output at the blade using a dynamometer, a machine laboratories use to measure mechanical power, this KitchenAid blender with its heavy duty motor and advanced motor control board, produces more power than the leading competitors.

***Please see the Use and Care Guide for more details regarding blender use and performance.

****Patented blade in U.K. and Germany.

PASSION RED

High Performance Blender** 5KSB6060H*SD

TECHNICAL DATA

Wattage		1800 W
Power rating		3.5 Peak HP Motor***
Voltage		220 - 240 V
Frequency		50 / 60 Hz
Motor RPM		2,200 - 21,000
Speeds		9 variable speeds, 1 dedicated manual high speed setting
Capacity pitcher	Complete jar	2.6 L
	Marked max. fill	1.65 L
Material body		die-cast metal
Material coupler		steel
Product dimensions	H x W x D	45 x 26.7 x 23.1 cm
Packaging dimensions	H x W x D	49 x 35.6 x 29.2 cm
Master pack dimensions	H x W x D	49.9 x 36.8 x 30.5 cm
Net weight		8.85 kg
Gross weight		9.98 kg
Master pack gross weight		10.48 kg
Master pack		1 unit
Cord length		106.7 cm
Country of origin		U.S.A

STANDARD ACCESSORIES

2.6 L BPA-free graded Jar

The beveled corners allow for clean pouring from 3 sides.
Single wall jar: marked capacity is 1.7 L.
Dishwasher-safe.

Removable silicone stabilizer jar pad

Keeps the blender jar securely on the base for added stability.
Dishwasher-safe.

Secure, vented lid with ingredient measuring cap

Fits securely on the jar, minimizing spills when in use.
The lid is made out of silicone and is easy to remove and to clean. Solid core prevents warping.
BPA-free cap for measuring and adding ingredients during blending.
Dishwasher-safe.

Asymmetric stainless steel blade****

Sharpened and precisely angled to optimize power and blend performance.
Blends at 4 different angles.
3 mm thick hardened stainless steel blade.
Dishwasher-safe.

Flex edge tamper

For large or ultra-thick blends.
Made out of plastic and rubber.
Dishwasher-safe.

*European or British plug.

**When testing the actual blender power output at the blade using a dynamometer, a machine laboratories use to measure mechanical power, this KitchenAid blender with its heavy duty motor and advanced motor control board, produces more power than the leading competitors.

***Please see the Use and Care Guide for more details regarding blender use and performance.

****Patented blade in U.K. and Germany.

High Performance Blender** 5KSB6060H*SD

OPTIONAL ACCESSORY

2.6 L BPA-free graded single wall Jar 5KSB68SW

Engineered to further optimize the blender's performance, leveraging the powerful motor and exclusive blade design.

The jar, blades, lid and removable handle grip are all dishwasher-safe.
