

Stick vacuum cleaner

- 360° suction nozzle
- 25.2 V, up to 65 min runtime
- 2-in-1: vacuum and handheld
- TurboPet Nozzle

FC6823/61

The fastest cordless cleaning experience*

with 360° suction nozzle

The revolutionary SpeedPro Max with 360° suction nozzle picks up more dirt with every stroke, forward and back - even along walls and furniture. Clean more in less time on both hard floors and carpets.

Benefits

Unrivalled speed

- 360° suction nozzle captures dust and dirt from all sides
- LED nozzle reveals hidden dust and dirt

Unmatched airflow

- PowerBlade digital motor creates high airflow (>1000 L/min)
- PowerCyclone 8 - our most powerful bagless technology
- The Triple filtration system ensures high airflow for longer

Uninterrupted cleaning

- Smart digital display indicates speed and battery usage
- Integrated handheld unit, crevice tool and brush
- Fast reach everywhere, even under low furniture
- Unique dust bucket design empties without dust clouds
- Up to 65 minutes of cleaning power with 25 V Li-Ion batteries

PHILIPS

SpeedPro Max

Features

360° suction nozzle

360° suction nozzle captures dust and dirt faster with every stroke, even backwards and against edges, to make every move count.

PowerBlade digital motor

PowerBlade is a digital motor engineered for unmatched high airflow (>1000 L/min) that produces 360° suction at the nozzle. Register at Philips.com within 3 months of purchase and enjoy a free 5-year motor warranty!

PowerCyclone 8 technology

PowerCyclone 8 technology - our best bagless vacuum cleaning technology now in a cordless stick, to keep stronger suction for longer.

Triple filtration system

The triple filter system returns only the clean air back to the motor, ensuring high airflow for longer

Smart power control

Smart digital display indicates speed and battery usage, and lets you know when it's time to clean the filter.

Integrated accessories

Accessories are simple to use with one click. The detachable handheld unit makes SpeedPro Max two devices in one. The brush attachment is integrated into the tube so it's always at hand.

LED nozzle

Dust, fluff, hair and crumbs are easy to spot and eliminate with LED lights in the SpeedPro Max nozzle. LED nozzle even reveals hidden dirt.

Fast reach everywhere

SpeedPro Max is flexible and easy to manoeuvre. The dust bucket is on top, which allows for a lower angle and it even goes fully flat on the floor to reach under low furniture.

Hygienic emptying

The vacuum cleaner's dust bucket is easily removed and emptied hygienically without causing any dust cloud.

Up to 65 minutes runtime

High-performance 25.2 V lithium ion batteries provide up to 65 minutes Eco runtime, 30 min in normal mode and 21 min in Turbo mode before you recharge.

SpeedPro Max

Specifications

Please note that this is a pre-sales leaflet. The contents of this leaflet reflect the best of our knowledge per date and country mentioned above. The contents of this leaflet are subject to change without notice. Philips does not accept any liability as to the contents of this leaflet.

Performance

Battery type	Li-Ion
Battery voltage	25.2 V
Charging time	5 hour(s)
Runtime	65 minute(s)
Runtime (turbo)	21 minute(s)
Sound power level	84 dB
Airflow (max)	>1000 l/min

Design
