STANDARD PARTS

Hopper

Transparent 500 g capacity container with chrome plated ABS knob and finger loop. Dishwasher-safe.

Removable sifter

Dishwasher-safe stainless steel sifter. Sifter can be removed when weighing ingredients that don't need to be sifted, such as chocolate chips.

Digital scale

Easy-to-use digital scale with great level of precision. Can be used as a separate scale on the countertop by adding the scale plate. LED control panel and battery door under digital control pad. Not dishwasher-safe.

Chute

Chute neatly funnels weighed and sifted ingredients into the mixer bowl, and can also swivel to funnel ingredients into a separate container without spilling. Made out of polished stainless steel.
