Highlights

Self-sharpening blades

Get a perfect trim, time after time. The steel blades lightly brush against one another – sharpening themselves as they work. This results in blades that are sharp as day 1 after 3 years of use.

9 tools for face, hair and body

This all-in-one trimmer conveniently trims and styles your facial hair, clips your hair and grooms your body.

Metal trimmer

Use the metal trimmer without a comb to get clean, sharp lines around your beard, neck and hairline, or to trim your body hair to a minimum length. The trimmer's self-sharpening blades remain as sharp as day 1, even after 3 years of use.

Nose and ear trimmer

Remove unwanted nose and ear hair, easily and comfortably.

7 Impact-resistant combs

2 stubble combs (1,2 mm), 1 adjustable beard comb (3-7 mm), 3 hair combs (9,12,16 mm) and 1 body comb (3 mm).

Up to 70-minute run time

Get up to 70 minutes of cordless use for every 16-hour charge.

Rinseable attachments

Simply detach and rinse the blades and combs under the tap to thoroughly clean them.

Storage pouch

Use the convenient pouch for storage or travel. It holds and protects your trimmer and all its tools when you're on the go.

Guarantee

We back this Philips trimmer with a 3-year guarantee. Our grooming products are built to last and engineered to give a reliable performance, time after time. This trimmer's parts never need to be oiled, and its battery is compatible with all voltages, worldwide.
