- 500 PQI
- View Plus
- DOLBY AUDIO
- HDMI
- USB MULTIMEDIA

## LED

With LED backlight, you can enjoy low power consumption and beautiful lines combined with high brightness, incredible contrast and vibrant colors.

## View Plus

View Plus is a specially created picture quality engine that is tuned for you to enjoy its nice picture quality. This means that you can now be entertained and be thrilled with our vivid and colorful images.

## 500 PQI

Picture Quality Index combines display technology and advanced picture processing engines to improve the elements of perception, sharpness, contrast and color. No matter the source, you will always enjoy razor sharp pictures with incredible details and depth with the most vivid and brilliant colors as well.
