sense and simplicity

# Highlights

## choose from 16,000,000 colours

Select your own favourite colour at the LivingColors LED lamp out of the 16,000,000 different colour options for the perfect mood lighting.

## automatic colour changing mode

Turn the colour wheel for 360° and then press the 'I' button, sit back and let the colours of the LED lamp change automatically.

## dimmable

Adjust the brightness of the Philips LivingColors LED lamp as you like by using the remote control.

## adjustable colour intensity

Add more white to your colour by using the remote control to get the perfect pastel shades.

## light output 120 lumen

With the LivingColors Aura you can have a big impact on ambience thanks to the light output of 120 lumen. Just place the LivingColors Aura wherever you like and point it towards a light-coloured wall to get the full experience.

## easy-to-use remote control

By turning the colour wheel on the remote control of the Philips LivingColors LED lamp,

you can easily select every colour you like for the perfect mood lighting.

## store your favourite colours

Store your 2 favourite colours for easy recall with the favourites buttons on the remote control. Just select the colour you'd like to store and hold one of the two favourites buttons to store it.

## nice diffused light effect

All the different colours of the Philips LivingColors LED lamp blend naturally into your interior because of the diffused light effect.
