Highlights

SteamGlide Plus soleplate

Our special SteamGlide Plus soleplate smoothly glides over any fabric. It's also non-stick, scratch-resistant and easy to clean.

No more messy dripping

Our Drip Stop system lets you iron delicate fabrics at low temperatures with confidence. There's no need to worry about water droplets causing stains.

Built-in calc-clean slider

This iron operates with ordinary tap water. Calc-clean is a built-in cleaning function to remove calcium buildup, or limescale, and maintain peak performance.

Comfortable handle

A textured handle ensures you a comfortable, ergonomic grip, so you can keep hold of the iron without ever slipping.

Quality-tested cord

All our steam iron cords are rigorously tested for maximum safety and durability.

Vertical steam

The vertical steam function lets you refresh garments right on the hanger and remove creases from curtains as they hang. No ironing board required.
