# Highlights

## FM digital radio

The FM tuner delivers clear reception, and you can set up to 10 presets for your favorite stations. The display shows the time clearly.

## Sleep Timer

Drift into restful sleep with your favorite station playing in the background. You can set the clock's Sleep Timer to play the radio for up to 2 hours. After your preset time has elapsed, the radio turns off.

## Dual alarm

The dual alarm function lets you set two different alarms, and the Gentle Wake function deploys a gradually increasing radio volume to ease you into the day.

## Battery backup

This alarm clock has a battery backup. If there's a power failure, you won't have to reset the clock and your alarm settings will be saved.
