Steam Iron  
3000 W Power 80 g/min continuous steam, 260 g Turbo steam boost, No burns guaranteed

DST8041/86

## Highlights

### 3000 W for fast heat up

Get started on your ironing in no time with more power for fast heat-up.

### Auto shut-off

To give you peace of mind the steam iron automatically switches itself off after 8 minutes.

### No burns guaranteed

One optimal setting for all ironable fabrics. For no burns, guaranteed. Thanks to OptimalTEMP technology, we guarantee this iron will never cause burns to any ironable fabric and you can iron everything from jeans to silk, from linen to cashmere safely, in any order, without waiting for the temperature to adjust or pre-sorting clothes.

### 350ml Water tank

Fewer refills are required thanks to a large 350ml water tank. So you can iron more clothes in one go.

### Continuous steam up to 80g/min

With a continuous steam output of 80g/min, no glide over your garments is wasted so you can remove creases faster.

### SteamGlide Elite soleplate

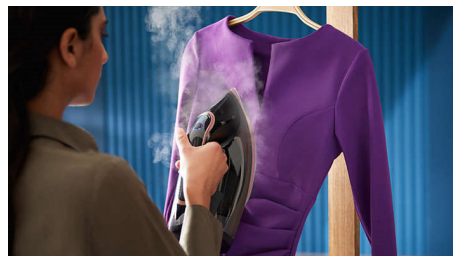

Smoothly glide over creases with the super-smooth SteamGlide Elite soleplate that is gentle on your clothes. Super-smooth SteamGlide Elite soleplate is durable, scratch-resistant and easy to keep clean.

### Turbo Steam up to 260g

The extra long steam boost delivers more power for removing tough creases from thicker fabrics like your favorite pair of jeans. Up to 260g of turbo steam for even more powerful ironing.

### Vertical steam

The vertical steam function lets you refresh garments right on the hanger and remove creases from curtains as they hang. No ironing board required.

### Intelligent automatic steam

Ensure your ironing is completed fast and with minimal effort, with the new motion sensor technology that recognizes when you move the iron to release steam automatically.

# Specifications

## Easy to use
