## Steam performance, guaranteed

Thanks to our improved steam boost

Long lasting performance with Quick Calc Release and SteamGlide Plus soleplate with enhanced scratch resistance.

### **Fast and powerful performance**

- Up to 250 g steam boost blasts stubborn creases
- 2800 W for quick heat-up and powerful performance
- Steam output up to 50g/min for faster crease removal

### **Easy and Comfortable ironing**

- Drip-stop system keeps garments spotless while ironing
- Less refilling with extra-large 300 ml water tank
- Vertical steam
- Easy temperature control
- Automatic shut-off when iron is left unattended

### **Smooth gliding on all fabrics**

- SteamGlide Plus soleplate

### **Long-lasting performance**

- Quick Calc release

# PHILIPS

# Highlights

## Steam boost up to 250 g

Penetrates deeper into fabrics to easily remove stubborn creases.

## Quick Calc release

Quick Calc Release for an easy cleaning for your iron and a long-lasting steam performance.

## Drip stop system

Our drip-stop system prevents leakage to avoid stains from water droplets and iron with confidence at any temperature.

## SteamGlide Plus soleplate

Our SteamGlide Plus soleplate delivers great gliding performance on all garments. Great scratch and wear resistance, non-stick and is easy to clean.

## 2800 W to heat up quickly

Delivers a fast warm-up and powerful performance to get your ironing done quickly.

## 300 ml Water tank

Fewer refills are required thanks to a large 300 ml water tank, allowing you to iron more clothes in one go.

## Vertical steam

Vertical steam function allows you to refresh garments right on the hanger and remove creases from hanging fabrics such as curtains. No ironing board required.

## Continuous steam up to 50g/min

Strong and consistent steam output penetrates up to 50% more steam through fabric to remove creases faster.

## Variable steam settings

An elevated temperature control and variable steam setting is easy and precise to operate. You will always have the right temperature and steam for your garment.

# Specifications
