Highlights

ProBlend Plus technology

Motor, blades, and tumbler designed to work together for perfect results so that you can have finest blends even from the recipes with ice cubes, nuts, and frozen fruits.

The ProBlend Plus motor

The ProBlend Plus motor creates a fast circulation of the ingredients for effortless blending

The ProBlend Plus blade

The ProBlend Plus blade crushes and blends the hardest ingredients into finest texture thanks to long, thick, and sharp 6 blades

The ProBlend Plus Tumbler

The ProBlend Plus tumbler pushes the ingredients back to the circulation thanks to its ribs so that everything is evenly blended for smooth results.

Versatility with accessories

Blend and go with the handy 700 ml tumbler. Make your daily smoothie, then pop on a leak-proof lid to take it with you. Or store it in the fridge for later. The tumbler is made with Tritan from Eastman, it is 100% BPA free, shatter-resistant, and dishwasher-safe.

Elegant compact design

Add stylish touch to your kitchen. Stainless steel design with a compact footprint and detachable parts for easy storage.

Variety of recipes

Enjoy a wide variety of homemade recipes; velvety smoothies, creamy shakes, and thick rich sauces.

HomelD app

Discover a world of delicious recipes! Explore our HomelD app for tasty drinks, soups, sauces and more plus tips and guidance for using your blender.

Easy to use

The press-and-twist tumbler eliminates buttons and dials. Blend effortlessly, all in one simple motion.
