Highlights

ProBlend Plus technology

Motor, blades, and tumbler designed to work together for perfect results so that you can have finest blends even from the recipes with ice cubes, nuts, and frozen fruits.

The ProBlend Plus motor

The ProBlend Plus motor creates a fast circulation of the ingredients for effortless blending

The ProBlend Plus blade

Long, thick, and sharp 6 blades crush and blend the hardest ingredients into finest texture

The ProBlend Plus tumbler

Ribs in the tumblers push the ingredients back to the circulation so that your ingredients are evenly blended for smooth results.

Coffee and spice grinder

Enjoy freshly ground coffee and spices at home with 300 ml small cup and flat blade. Use them instantly or pop on the lid to store for later. The cup is made with Tritan from Eastman, it is 100% BPA free, shatter-resistant, and dishwasher-safe.

Elegant compact design

Add stylish touch to your kitchen. Stainless steel design with a compact footprint and detachable parts for easy storage.

Variety of recipes

Enjoy a wide variety of homemade recipes; velvety smoothies, creamy shakes, thick rich sauces, and freshly ground coffee.

HomeID app

Discover a world of delicious recipes! Explore our HomeID app for tasty drinks, soups, sauces and more plus tips and guidance for using your blender.

Easy to use

The press-and-twist tumbler eliminates buttons and dials. Blend effortlessly, all in one simple motion.
