

Philips 2000 Series
Cordless Vacuum

Removes dust and dirt
Cleans with precision
Easy to use

XC2011/61

Expose hidden dust. Remove it in one go.

Runs for up to 40 min¹ and guides with LED nozzle

Clean your floors in one go with the Philips Cordless Vacuum 2000 Series. Our LED nozzle reveals hidden dust and dirt before capturing it with PowerCyclone 7 technology. Up to 40 minutes of runtime¹ makes cleaning your home easy.

Removes dust and dirt

- PowerCyclone 7 removes more dust with less battery usage.
- Long-life battery runs for up to 40 mins¹.
- 3-stage filtration system keeps captured dust secure.

Cleans with precision

- LED nozzle exposes hidden dust, guiding every move.
- Precise nozzle slides as close as 1mm to the wall.

Easy to use

- Detachable 21.6 volt battery for extended cleaning.
- Turns into handheld vacuum for cleaning different surfaces.

Highlights

PowerCyclone 7

Our powerful technology delivers the perfect combination of efficiency and results. It's engineered for high dust pick-up while ensuring you still get up to 40 mins of runtime on normal mode, and 12 mins on turbo.

LED nozzle

Make every move count with our LED nozzle. It illuminates tiny dust particles by shining light at precisely the right angle, so you'll know exactly where to clean.

Long-life battery

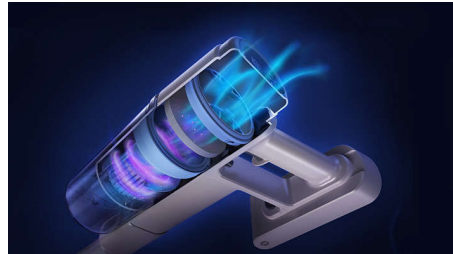

Clean your home in one go with a battery that lasts for up to 40 minutes in normal mode, and 12 minutes in turbo.

Precise nozzle

Remove dust and dirt from hard-to-reach places with our precise nozzle. It's designed to slide extremely close to walls and plinths, capturing stubborn particles of dirt.

3-stage filtration system

Fine dust and dirt remains sealed inside thanks to three ultra-fine filters. So once it's removed from your floor it stays that way.

Detachable 21.6 volt battery

The replaceable battery allows you to charge it separately and properly dispose.

Turns into handheld vacuum

Need to reach areas above ground level, like inside cupboards or on the sofa? The Philips 2000 Series converts into a handheld vacuum for easy manoeuvrability, no matter what your cleaning needs are.

Specifications

Performance

- Runtime: Up to 40 minutes
- Runtime (Turbo): 12 minutes
- Sound power level: < 80dB
- Battery voltage: 21.6 V
- Battery type: Replaceable Li-Ion battery
- Charging time: 5 hours

Design

- Color: Cotton Blue

Nozzle and accessories

- Standard nozzle: LED nozzle

Product weight and dimension

- Weight on hand: Aprox. 1.5 kg
- Dimension of packaging (WxHxD): 37.9 x 73.2 x 13.4 cm

Issue date 2024-01-29
