

## Philips 3000 Series Cordless Vacuum

XC3031/61

- Digital motor
- LED nozzle

## Expose hidden dust. Remove it in one go.

Runs for up to 60 min<sup>1</sup> and guides with LED nozzle

- PowerCyclone 8 removes dust with optimal battery usage.
- LED nozzle exposes hidden dust, guiding every move.
- Long-life battery runs for up to 60 mins<sup>1</sup>.
- Precise nozzle slides as close as 1 mm to the wall.
- 3-stage filtration system keeps captured dust secure.
- Digital motor for durability.
- Detachable 25.2 volt battery for extended cleaning.
- Turns into handheld vacuum for cleaning different surfaces.

<sup>\*1</sup> Eco mode, handheld only.

<sup>\*\*2</sup> Turbo mode, handheld only.

<sup>\*\*\*3</sup> Second battery sold separately XV1633.

# Highlights

## PowerCyclone 8

Our powerful technology delivers the perfect combination of efficiency and results. It's engineered for high dust pick-up while ensuring you still get up to 60 mins of runtime on normal mode<sup>1</sup>, and 15 mins on turbo<sup>2</sup>.

## LED nozzle

Make every move count with our LED nozzle. It illuminates tiny dust particles by shining light at precisely the right angle, so you'll know exactly where to clean.

## Long-life battery

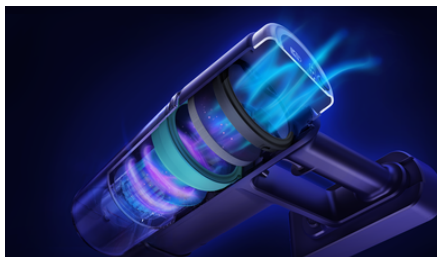

Clean your home in one go with a battery that lasts for up to 60 minutes in normal mode<sup>1</sup>, and 15 minutes in turbo<sup>2</sup>.

## Precise nozzle

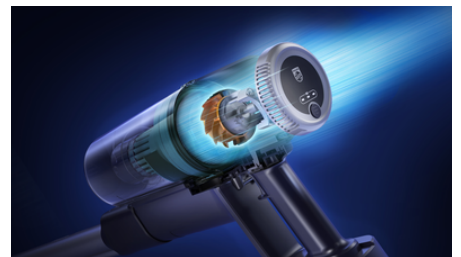

Remove dust and dirt from hard-to-reach places with our precise nozzle. It's designed to slide extremely close to walls and plinths, capturing stubborn particles of dirt.

## 3-stage filtration system

99.9% of fine dust and dirt remains sealed<sup>3</sup> inside thanks to three ultra-fine filters. So once it's removed from your floor it stays that way.

## Digital motor

Our digital motor ensures your cordless vacuum cleaner is both durable and powerful.

## Detachable 25.2 volt battery

Want to keep cleaning without re-charging? Our detachable battery means you can swap in a charged battery and pick up where you left off almost immediately<sup>4</sup>.

## Turns into handheld vacuum

Need to reach areas above ground level, like inside cupboards or on the sofa? The Philips 3000 Series converts into a handheld vacuum for easy maneuverability, no matter what your cleaning needs are.

# Specifications

## Use Cases

Suitable for floor types: Hard floors  
Handheld option: Yes  
Mopping function: No

## Functions

Floor Recognition: No  
Smart home compatibility: No  
Internet connectivity: No

## General Specification

Primary Material: Aluminium & Plastic  
Color: Misty Dawn  
Cyclone technology: PowerCyclone 8  
Settings: Eco, Turbo  
Runtime (Eco): 60 min  
Runtime (Turbo): 15 min  
Airflow (max): 820 l/min  
Noise level: < 80 dB  
Battery type: Replaceable lithium-ion  
Voltage: 25.2V  
Frequency: 50/60Hz  
Charging Time: 5 hour(s)  
Display type: LED  
Filter type: 3-stage filtration  
LED lights: Yes  
Warranty: 2 years  
EU declaration of conformity: Yes  
Battery Product: Yes

## Accessories

Standard nozzle: Hard floor LED nozzle  
Included accessories: - Crevice tool - Combination tool  
Charging Station: Wall-mount  
Aqua nozzle: No

## Weight and Dimensions

Product Length: 24 cm  
Product Width: 25.5 cm  
Product Height: 118 cm  
Product Weight (Handheld only): 1 294 g  
Package Length: 14.3 cm  
Package Width: 38.4 cm  
Package Height: 74.1 cm  
Package Weight: 4.6 kg

## Compatibility

Related Accessories 1: XV1631/01 - Filter  
Related Accessories 2: XV1633/01 - Replaceable battery

## Country of Origin

Produced In: China

## Design

Recycled plastic, incl. accessories: No  
Sustainable package: Yes
