Highlights

Dry air symptoms

Balanced humidity levels help to improve perceived air quality (1). This humidifier is developed to soothe discomfort caused by dry air, such as dryness affecting the skin, lips, nasal passages and eyes, as well as throat irritation, nasal congestion and static electricity. And it helps to keep your indoor plants well-hydrated, promoting a healthier home environment.

Powerful humidity rate

Don't be fooled by its compact size: With a powerful humidification rate of 250 ml/h, this device effectively humidifies rooms up to 38 m² (2,3). Choose from 3 fan speeds and automatic settings for your preferred performance and comfort level.

Sky High Mist

Our humidifier emits a fine mist that rises over 80 cm, significantly higher than leading competitors (4). Boosting the mist high up in the sky, ensures even humidity distribution and preventing water droplets from forming around the device.

Run time

Breathe comfortably without frequent refills. The XL 3L water reservoir provides up to 32 hours of continuous use.

Aromatherapy

Experience all the benefits of aromatherapy with our humidifier's aroma add-on feature. Infusing the mist with your preferred essential oils, allowing you to enhance your overall well-being.

Ambient light

This humidifier features colored lights that gently move in harmony with the mist, creating a captivating and soothing atmosphere. Whether you prefer a warm, relaxing glow or a bright, invigorating scene, you can set the mood to complement any moment.

Use in the bedroom

Experience a comfortable night's sleep with optimal humidity and wake up more refreshed. Sleep mode ensures the device works quietly yet efficiently during the night. Use the night light to create a relaxing bedtime environment.

Connectivity

Whether you're at home or away, this smart humidifier gives you full control. The Air+ app provides a smart experience that allows you to adjust humidity settings, select optimal lighting, and program timers and schedules. Anywhere, anytime.

Top fill design

Our humidifier's top-fill design facilitates effortless refilling. Simply detach the top cover, replenish with water, and your humidifier is ready to operate.

Effectively promotes optimal humidity levels, Create a comfortable atmosphere to suit your mood., Easy to use. Easy to maintain.

Specifications

General Specification

Product Type: Humidifier
Technology: Ultrasonic humidification
Color: White/Silver
Primary Material: Plastic
Internet connectivity: Yes
Wi-Fi range: 2,4 GHz
Capacity Watertank: 3 L

Energy efficiency

Stand-by power consumption: < 2 W
Voltage: 220-240 V
Maximum power: 19,6 W

Maintenance

Warranty: 2 years

Compatability

Included Accessories 1: Aroma pads (3 units)
Related Accessories 1: Cartridge (FY5133)
Related Accessories 2: Aroma pads (FY5100)

Country of Origin

Produced In: China

Technical Specifications

Humidity sensor: Yes
Min. sound level: 19 dB(A)
Max. sound level: 21 dB(A)

Performance

Runtime: 32 hours
Humidification rate: 250 ml/h
Max. room size: 38 m²

Usability

Cord length: 1,5 m
Modes: Automatic mode, sleep mode
Speed settings: Sleep, medium, high
Humidity settings: 40%, 50%, 60%. 70%
Timer: 1-12 hour(s)
Air quality feedback: Color ring, numerical
Interface: Touch, numerical, LED
Water tank empty alert: Yes

Safety feature

Automatic shut-off: Yes
Water tank full alert: Yes

Weight and Dimensions

Product Height: 306 mm
Product Weight: 1,153 kg
Package Length: 215 mm
Package Width: 213 mm
Package Height: 356 mm
Package Weight: 1.84
Product Length: 178 mm
Product Width: 176 mm
