Pure Power Blender 2 L 5KSB2073

- **Take control of your blends with an asymmetric blade design and variable speed for a wide range of desired textures.**

From chunky salsa to smooth tomato soup, the precision speed control knob helps you achieve the blends you want.

Choose your exact setting between 1 and 10 or smoothly glide between the speeds to create your desired texture.

- **Powerful Ice Crushing Blades**
From ice to snow in seconds, powerful 360° asymmetrical blades blend at different angles, pulling ice to the center and breaking down the toughest ingredients.
- **Smoothie Cycle**
Turn your favourite ingredients from the freezer into smoothies with ease at the push of a button.
- **Blends Hot Ingredients**
Create your favourite soups, salsas, sauces, and purees with a heat-release vent that helps you confidently blend hot ingredients*. The Heat Release Vent allows steam to escape and maintains a secure seal while blending hot ingredients*.
- **3 Part Blending System**
Take on the toughest ingredients with KitchenAid brand's powerful 3 Part Blending System - a powerful motor, 360° asymmetrical blade design and a ribbed jar design.
- **Clean Cycle**
With the Cleaning Cycle, clean your jar at the push of a button. After using your blender, just put a few drops of detergent and water into the used jar and run the Cleaning Cycle.

STANDARD ACCESSORIES

2 Litres BPA-free plastic jar

No twists or turns necessary. The intuitive drop-down jar assembly provides stability at high speeds, all in one straightforward step.

The ribbed jar design folds contents back onto the blades to create a powerful blending vortex, tackling the toughest foods.

Dishwasher Safe.

Asymmetric stainless steel blade

Asymmetric blades blend at four different angles, and 360° action ensures consistent blending to pulverize even the toughest ingredients.

Dishwasher-safe.

Dual Purpose Vented Lid

The dual-purpose vented ingredient lid lets steam release easily when you blend hot foods and also allows you to add more foods to get your desired blend.

Dishwasher Safe.

Precision Speed Control Knob + Pulse

Enjoy precise blends with a precision speed control knob.

Make your smoothies extra smooth, or create chunky salsas all at the turn of a knob.

Choose your exact speed between 1 and 10 or smoothly glide between the speeds to create your desired texture.

*Laboratory measurement of peak input wattage, not the operational power at the blade; UL rated at 1200 watts
