- 3D heating system for even cooking
- 3 functions in one: cook, steam, and keep warm
- 4-layer aluminum pot with durable non-stick coating
- Sealing ring locks in steam
- Internationally certified for food-grade quality

Highlights

Large 1.8 L capacity

Make up to 10 cups of delicious, fluffy rice for up to 10 people at every meal.

3D heating system

Cook every grain perfectly from all directions with advanced 3D heating technology.

Cook, steam, and keep warm

Enjoy versatile cooking with 3 functions to cook, steam, and keep rice warm for up to 48 hours.

4-layer aluminum pot

High-quality aluminum pot provides long-lasting performance with 4 layers and an anti-scratch non-stick coating for easy cleaning.

Specially designed sealing ring

A specially designed sealing ring locks steam inside the pot without leaking out to cook at full speed.

Certified quality

The rice cooker is made from high-quality, food-grade materials and certified by international authorities. PFOA, BFR and PVC free.
