Strong airflow at 2370 m³/h, Ultra-quiet operation, Low energy consumption, Remote control

CX5550/01

Highlights

Powerful cooling at 8.1 m/s

This bladeless fan delivers strong airflow of 2,370 m³/h, to quickly cool your entire space. It circulates cool air farther and wider (1), with airspeeds of up to 8.1 m/s.

Ultra-quiet operation

Experience 40% quieter cooling (1), as low as 24 dB (2). Featuring an air outlet inspired by aeroplane-wing aerodynamics, this fan is perfect for restful sleep, work, or total relaxation.

Versatile: 3 modes & 5 speeds

Choose from 3 modes (Manual, Natural Breeze, Advanced Sleep) and 5 speed levels for personalised cooling. From a gentle breeze to powerful airflow, enjoy effortless comfort all day.

Wide 80° oscillation

With 80° oscillation, this fan distributes air to every corner of the room – so you can feel refreshed no matter where you are.

Energy-saving

At maximum 48 W, it uses less energy than a traditional incandescent light bulb – keeping you cool while saving on energy costs.

Advanced, Quiet Sleep mode

Advanced Sleep mode gradually reduces airflow speed every 30 minutes and dims the display lights, helping you fall asleep naturally while saving energy through the night.

Aromatherapy

Enhance your well-being by infusing the breeze with your favourite essential oils for a calming experience.

9 h timer

Use the 9-hour timer to automatically switch off the fan after your chosen duration. Enjoy cool comfort without needing to get up or worry about turning it off.

Easy control

Easily adjust your tower fan using the intuitive touch panel or remote, for convenient operation from anywhere in the room.

Specifications

Weight and Dimensions

Product Length: 17.2 cm
Product Width: 15.8 cm
Product Height: 106.0 cm
Product Weight: 4.9 kg
Package Length: 25.7 cm
Package Width: 25.0 cm
Package Height: 111.0 cm
Package Weight: 7.0 kg

Energy efficiency

Stand-by power consumption: <0.5 W
Voltage: 220-240 V
Frequency: 50/60 Hz

Maintenance

Warranty: 2 years

Country of Origin

Produced In: China

General Specification

Product Type: Tower Fan
Colour: Charcoal Grey
Primary Material: Plastic
Motor: AC motor

Technical Specifications

Maximum power: 48 W
Min. sound level: 24 dB(A)
Max. sound level: 44 dB(A)

Compatibility

Included Accessories 1: Aroma pads
Related Accessories 1: FY5100

Performance

Fan airflow: 2370 m³/h
Air velocity: 8.1 m/s

Usability

Sleep mode: Yes
Natural Breeze mode: Yes
Manual mode: Yes
Aroma diffuser: Yes
Speed settings: Yes (5 levels)
Timer: 1-9h
Cord length: 1.8 m
Oscillation: 80°
Interface: Touch display
Remote control: Yes
