Strong airflow up to 3100 m³/h , Quiet cooling at 44 dB(A) (1), 3 speeds for personalized comfort, 2 modes & timer for extra convenience, Head diameter 45 cm

CX1050/01

Highlights

Strong airflow, instant relief

With a cooling capacity up to 3100 m³/h and 6 blades, this fan delivers intense air movement that eliminates stagnant air, filling your space with refreshing air for all-day comfort.

Quiet cooling

Operating at a subtle 44 dB(A) (1)—comparable to a quiet office—this fan delivers powerful cooling while maintaining a calm, undisturbed environment.

Long-distance breeze

Experience refreshing airflow that extends up to 30 m, ensuring a pleasant breeze throughout the room. Whether near or far, enjoy consistent cooling wherever you are.

Adjustable speed settings

Customize your comfort with 3 adjustable speed settings, a dedicated Sleep Mode and a Natural Breeze Mode. Effortlessly tailor the cooling to suit your needs with the included remote control.

Comfort without getting up

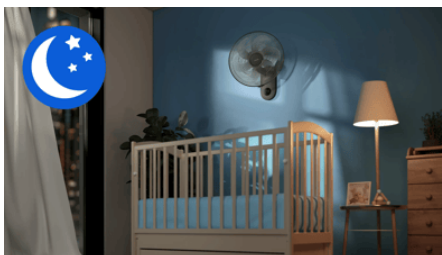

Adjust your comfort from anywhere with the easy-to-use remote control. Choose between three fan speeds, two special modes, or the timer setting—all without needing to get up.

Built-in timer

Set it and forget it with the built-in timer. Enjoy peace of mind knowing your fan will turn off automatically—helping you save energy and rest easy through the night.

Cool at night with Sleep Mode

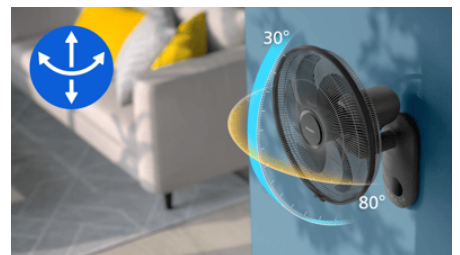

Enjoy a cool and peaceful night's sleep with Sleep Mode. This energy-saving setting gradually lowers the fan speed over 30 minutes to help you fall asleep, while the display automatically turns off to minimize light and distractions.

Feel the Outdoors, Indoors

Natural Breeze Mode delivers a refreshing airflow by automatically varying fan speed and intensity - mimicking the feeling of real outdoor wind. It's a soothing, natural cooling experience you can enjoy year-round.

Automatic rotation & tilting

Enjoy optimal air circulation with automatic 80° rotation and a 30° tilting head, designed to deliver a refreshing breeze throughout the entire room.

Strong airflow up to 3100 m³/h , Quiet cooling at 44 dB(A) (1), 3 speeds for personalized comfort, 2 modes & timer for extra convenience, Head diameter 45 cm

CX1050/01

Specifications

Country of Origin

Produced In: China

Maintenance

Warranty: 2 years

Technical Specifications

Maximum power: 47 W
Min. sound level: 44 dB(A)
Max. sound level: 50 dB(A)

General Specification

Color: Black
Secondary color: Grey
Primary Material: Metal
Secondary Material: Plastic

Weight and Dimensions

Head diameter: 45 cm
Product Length: 45 cm
Product Width: 40.0 cm
Product Height: 49.0 cm
Product Weight: 3.7 kg
Package Length: 51.0 cm
Package Width: 40.0 cm
Package Height: 52.0 cm
Package Weight: 5.2 kg

Performance

Fan airflow: 3100 m³/h

Usability

Timer: Yes (1-12h)
Cord length: 1.8 m
Oscillation: 80°
Vertical Tilt: 30°
Interface: Digital
Remote control: Yes

Energy efficiency

Stand-by power consumption: 0.5 W
Voltage: 220-240V
Frequency: 50 Hz
