Highlights

Performing 1200W motor

Enjoy great suction power thanks to the 1200W motor. It effectively removes dust from hard floors and carpets, leaving you home feeling fresh and clean.

PowerCyclone 3

PowerCyclone 3 technology accelerates air in the cyclonic chamber and efficiently separates dust from the air, to maintain strong performance for longer.

Multi-purpose nozzle

Clean different kinds of floors effectively using the multi-purpose nozzle. Protect hard floors by using the brushes and then switch to the smooth soleplate when you're cleaning carpet.

No dust bags needed

No more dust bags. When you're finished vacuuming, tip out the dust directly into the bin. Our bagless design makes finishing up quick and easy.

Compact and lightweight

Save on valuable storage space with the compact and lightweight design. It's easy to tuck away into cupboards and wardrobes, and light enough to lift easily onto a shelf.

3-stage filtration

3-stage filtration system capture >99.9%* of particles with the washable motor filter. It ensures captured particles remain inside the dust container, keeping your living environment fresh and healthy.

Furniture nozzle 90mm

Furniture nozzle 90mm helps to clean soft furnishings like cushions, couches, and arm chairs, even removing pet hair
