Highlights

1000W motor power

Enjoy smooth results every time with our powerful hand blender. From creamy milkshakes to hearty veggie soups, the possibilities are endless.

ProMix technology

ProMix technology in this immersion blender is designed to create the perfect flow of ingredients, ensuring faster, even blending with less mess and easy cleaning, so every recipe ends up smooth, simple, and stress-free.

Speed control

Get the right speed and texture in every recipe. 4 precision speeds to create different recipes while the Turbo button offers an instant power boost.

Quality that lasts

Durability and consistent performance over time, ensured by a robust metal bar paired with a high-quality hand blender body.

Ergonomic handle

Enjoy maximum comfort and stability, even during longer blending sessions, thanks to a hand liquidiser design crafted with an ergonomic handle. Also the anti-slippery surface makes it easier to hold for longer time.

One touch button

With the push of a button, you can unlock the Philips hand blender with one hand. So you can change attachments without putting the blender down or making a mess on the counter.

More blend, less chunks

More blend, less chunks: precision engineering and strong blades work together for consistently silky results.

Easy to store

Philips immersion blender is easy to store thanks to a compact, space-efficient design that keeps your counter tidy and your handblender always available

BPA free beaker

Our BPA-free beaker guarantees safe food preparation, from baby meals to everyday cooking, delivering peace of mind with every use

Specifications

General Specification

Primary Material: ABS
Secondary Material: PP
Functions: Speed 1 / 2 / 3 / 4
Product type: Hand blender
Certifications: CB
Cord length: Out side of Device - 120cm(w/o plug)
Technology: Promix technology
Integrated on /off switch: Power On / Off Button
Dishwasher safe parts: Yes
Capacity level indicator: Yes
Jar material: Plastic
Blade Material: Stainless Steel
Rotations per minute (RPM): 16000+/-15%
BPA free: Yes
Pulse function: Yes
Blades detachable: Yes
Ability to crush ice: Yes
Noise level (standard): <83dB
Warranty: 2 Years
Compatitable with Dry-food: Yes

Technical Specifications

Power: 1000W
Voltage: 220-240V
Frequency: 50-60Hz
Number in pack: 1 PC per F-box

Compatibility

Included Accessories 1: Beaker

Safety feature

Safety certification: CB
Automatic blade stop: <1.5s according to safety standard

Weight and Dimensions

Product Length: 80mm
Product Width: 80mm
Product Height: 500mm
Product Weight: 1008g
Package Length: 93mm
Package Width: 161mm
Package Height: 261mm
Package Weight: 1172.35g

Country of Origin

Produced In: China

Durability

User Manual: QSG
