Guide your way without disturbing others

A reassuring friend at night, this is the perfect bedtime companion for children. It produces a safe, comforting glow that turns itself on when there is a movement nearby, yet is soft enough not to dazzle sleepy young eyes.

Freedom of placement

- Battery operated, no need to connect to mains while in use

Ease of use

- Infrared motion detector for automatic switch on
- Easy wireless induction charging no hassle with wires

Safe to use

- LED technology is cool to the touch
- No open electricity

Ambiance light effect

- Romantic soft glow of constant light in an elegant design

Light effect

- Orientation light for dark areas

PHILIPS
