**PHILIPS**  
sense and simplicity

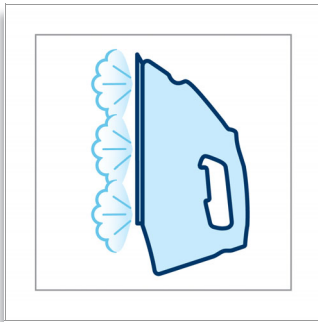

## Highlights

### 2100 Watt

2100 Watt enables constant high steam output

### Vertical steam

Vertical steam for crease removal in hanging fabrics.

### Steam boost up to 95 g

Steam boost up to 95 g for the most stubborn creases

### Calc clean slider

This calc clean slider makes it very easy to remove scale out of your iron. To maintain the performance of your iron you should use this scale clean function once a month.

### SteamGlide soleplate

SteamGlide soleplate is the best Philips soleplate. It has great scratch resistancy, glides excellent and is easy to clean.

### Steam output up to 35 g/min

Continuous steam output of up to 35 g/min gives you the perfect amount of steam to efficiently remove all creases.

### Calc buster pill

After time calc builds up in your iron. This pill breaks down the calc in pieces so you can calc clean your iron easily. This cleaning needs to happen once a month.
