- Scratch-resistant, highly durable Anodilium soleplate

### Comfortable ironing

- Safety Auto Off
- Smart light feedback indicator
- Auto Steam Sensor activates the steam automatically

**PHILIPS**  
sense and simplicity

# Highlights

## 100% safe

100% safe on all delicate fabrics like (silk, cashmere, wool, polyester...), guaranteed. Some independent testing institutes have used PerfectCare on the most sensitive ironable garments and they confirmed the excellence of the ironing results.

## 100% easy to use

100% easy to use, no adjustment required. You can now iron all ironable garments one after the other, without having to wait or to adjust the temperature dial.

## Tested & approved by experts:

Tested and approved by independent textile experts institutes

## 100% fast

100% fast on all fabrics, no other steam iron is faster from start to finish

## Auto Steam Sensor

The innovative Auto Steam Sensor with motion detection activates the steam automatically when moving the iron on the ironing board. This always gives you the right amount of steam for effective crease removal, while reducing the wasted steam. Great results and energy efficiency

## Steam boost

Electronically controlled steam boost with 40% more steam

## Smart light feedback

Smart light feedback indicates the status of the iron at any time

## OptimalTemp

One perfect setting for all your clothes. Always the perfect combination of steam & temperature because: 1) Advanced Smart Control Processor sets the perfect combination of steam & temperature 2) Compact Steam technology delivers powerful constant steam for all your fabrics 3) Isolated soleplate to safely iron all fabrics, even the most delicate ones

## Safety Auto Off

Iron shuts off automatically when (1) iron is hold still 30s on soleplate, (2) 30 s lying on a side or (3) standing on its heel rest for 8 minutes.

## Anodilium soleplate

Excellent gliding, excellent scratch resistance, excellent to clean, excellent durability!

## Constant steam up to 50 g/min

Constant powerful steam up to 50 g/min for better crease removal for all your garments.

## 2600 W for fast heat up

2600 W for fast heat up and powerful performance on all your ironable garments

# Specifications
