Reaches into tricky areas

- Steam tip allows you to have steam in hard-to-reach areas

Safe ironing

- Iron switches off automatically when left unattended

Auto Energy Saving

- Automatic Energy Saving

Highlights

Double Active Calc System

Double Active Calc system of your Philips steam iron prevents scale build-up through anti scale pills and an easy to use calc clean function.

Soft grip

The soft handgrip of this Philips iron allows for comfortable ironing even during longer sessions.

Steam tip

The unique steam tip of this Philips iron, combines a particularly pointed front of the soleplate with special elongated steam slots in the tip, to reach right into the smallest and most difficult areas for the best ironing results.

Auto Energy Saving

Automatic Energy Saving The innovative feature in the Philips steam iron, makes sure you get the 100%

steam power to remove creases thoroughly. At the same time, it saves energy automatically, because it eliminates wasted steam.

Up to 40 g/min of steam

Philips steam iron with continuous steam output of up to 40 g/min gives you the perfect amount of steam to efficiently remove all creases.

Steam boost up to 160 g

The iron's 150 g steam boost enables you to easily remove even the most stubborn creases.

Safety auto off

Safety auto off

The iron shuts off automatically when left unattended. If it is left on it's heelrest it will switch off in 8 minutes. When left on the soleplate or on the side, it only takes 30 seconds before the iron shuts off.
