Highlights

100% safe

100% safe on all fabrics even the most delicate like silk, cashmere, wool, polyester. Independent testing institutes have used PerfectCare on the most sensitive ironable garments and they confirmed the excellence of ironing results.

100% easy to use

100% easy to use, no adjustment required. You can now iron all ironable garments one after the other, without having to wait or to adjust the temperature dial.

100% fast

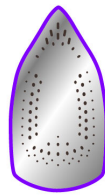

100% fast to iron, no sorting required. Iron all your garments with more effective steam.

Tested & approved by experts:

SteamGlide Soleplate

★★★★★
SteamGlide

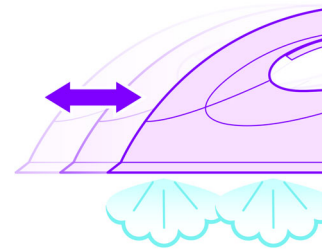

This specially designed soleplate combines superior ceramic coating for superior gliding on all fabrics and carefully designed vents for powerful crease removal.

2800 W for fast heat up

2800 W max

2800 W for fast heat up and powerful performance on all your ironable garments

Auto Steam Sensor

Auto steam sensor

The innovative Auto Steam Sensor with motion detection activates the steam automatically when moving the iron on the ironing board. This always gives you the right amount of steam for effective crease removal, while reducing the wasted steam. Great results and energy efficiency

Constant steam up to 65 g/min

65 g/min
continu

Constant powerful steam up to 65 g/min for better crease removal for all your garments

Steam boost up to 200 g

200g boost

Steam boost enables you to easily remove even the most stubborn creases.
