Clear water, cleaner kettle

Prepare clearer drinks with double action filter

Unique double action filter has two parts: a filter and a scale collector. Filter provides you clearer water, thus clearer drinks. Scale collector keeps the lime scale away from water, so that your kettle stays cleaner for a longer time.

Designed around you

- Double action filter for clearer drinks and cleaner kettle
- Cup indicator to boil only the water you need
- Bell rings when your water is ready

Easy to experience

- Base allows cord storage
- Ergonomic handle comfortably fitting any hand
- Spring lid with large opening for easy filling and cleaning
- Two water windows for left- and right handed use
- Cordless 360° pirouette base for easy lifting and placing

Safe to use

- Boil dry protection for your safety
- Lid stays cool for a safe touch

PHILIPS

sense and simplicity

Kettle
1.7L 2400W white lavender

Highlights

Double action anti-scale filter

The Double Action filter works two ways: a scale collector attracts scale from the water, and the regular filter prevents the remaining particles from being poured into your drink.

Cup indicator

Enabling consumers to boil the amount of water they need, and therefore saving of up to 66% energy and water, contributing to a better environment.

Boil dry protection

Boil dry protection for your safety

Boil-ready bell

Bell rings when your water is ready

Spring lid

Spring lid with large opening for easy filling and cleaning, also avoiding steam contact.

Two water windows

Two water windows for left- and right handed use
