PHILIPS

Table grill
Smooth and ribbed plate 2300 W

Highlights

High temperature grill plate

The high temperature of the Philips electric grill plate seals in all the juices and flavour of the food. That's because the moment the food comes into contact with the surface of the grill, it begins to sizzle and brown, forming a tasty crust that keeps all the goodness and flavour inside, where it belongs.

Ribbed-and-smooth grill plate

The versatile grill plate gives you the choice of cooking with either a ribbed or smooth grilling surface, so you can enjoy your food the way you like it. The smooth area is suitable for stir-frying and grilling small pieces of food. The ribbed surface creates that irresistible flame-grilled effect.

Adjustable thermostat

Adjustable thermostat ensures the perfect result.

Recipe booklet

Recipe booklet packed with expert tips and tasty treats.

Upright storage
