- Always a clean machine thanks to auto-clean and descaling
- Full automated dual cleaning milk carafe
- One click removable brewing group
- Sleeker look and design thanks to stainless steel finishes

**PHILIPS**  
 **Saeco**

# Highlights

## Sleeker look and design

Cutting-edge design and longer-lasting performance are the result of the appliance's stainless steel finishes.

## 100% Ceramic Grinders

Our ceramic grinders never overheat, ensuring you a perfect grinding, long-lasting performance and totally silent operation

## Adjustable grinder granularity

8 grinder settings from the finest to a very rough grind.

## Memo function

You will always get a perfect cup brewed just for you, according to your personal preference, thanks to our Memo function with adjustable length, strength and temperature. Pressing a button is all you'll need to do to enjoy a superb beverage in your favourite cup.

## One click removable group

The brewing group – a Saeco invention- is the heart of our machines, ensuring that the machine makes everything on its own. Thanks to its easy access, you can effortlessly remove it for regular cleaning with just one click.

## Full automated dual cleaning

Two independent steam cycles ensure a full automated deep cleaning after every beverage.

## Auto cleaning and descaling

Saeco designed this espresso machine to automatically clean its coffee circuit with water upon starting up or switching off of the machine, this delivers a great, fresh taste with each cup of coffee. Regular descaling prolongs your espresso machine's life. This machine will not only prompt when descaling is needed, the automated descaling process will start on your machine and guides you with clear on-screen messages when you have to intervene. Descaling has never been so easy!

## Double boiler

Optimal conditions for everything: two independent circuits assure quick and convenient coffee preparation directly after frothing your milk.
