Highlights

Battery light

Glance at the battery light to find out when the battery is low or fully charged. When you have 10 minutes of usage left, the indicator light will be orange. When charging, the indicator light will blink; you'll see a steady green light when the battery is fully charged.

Beard and moustache comb

Keep your beard at the length you prefer. Choose from 18 length settings in 1 mm steps (1-18 mm) by using the beard and moustache comb on the full-sized trimmer.

Box in pack

Easily keep all attachments in order straight out of the pack.

Built to last

All of our grooming products are built to last. They come with a 2 year worldwide guarantee,

worldwide voltage compatibility, and they never need to be oiled.

Cordless and corded use

Use the product cordless or plug it into mains to finish off your styling if you run out of battery.

Detail and stubble comb

Create stylish stubble or a 3-day beard with the detachable, precision stubble comb featuring length settings from 1-12 mm.

Detail foil shaver

After trimming, finish your style with the detail foil shaver for a clean, polished look.

Detail trimmer

Create the fine lines and details that define your style with the 21 mm precision trimmer.
