Highlights

Very high precision of 0,5 mm

0,5 mm incremental settings from 0,5 up to 10 mm

Diamond-like carbon blade

Ensures the cutting element stays sharp 3 times longer than traditional stainless steel blades

Stubble setting

If you want a short stubble of 0.5mm for a perfect 5 o' clock shadow look, use the Philips trimmer without the trimming comb.

New stubble comb

Stubble comb designed for more closeness and precision

Skin friendly

The uniquely rounded blades and comb tips prevent scratching the skin.

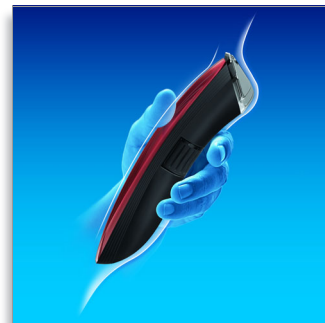

Zoom wheel

Select easily and secure your desired length with zoom wheel

20 locking length settings

Simply select and lock in the length setting you want: from a stubble of 0.5 mm up to a full beard of 10 mm, in precise 0.5 mm steps.

Ergonomic design

Comfortable to hold and easy to manoeuvre for hard to reach areas.

Corded and cordless use

Use your Philips trimmer corded or cordless with the recharged battery for maximum power and freedom.
