sense and simplicity

Highlights

Deluxe Floating Cushions

The newly innovated deluxe FloatingCushions design allows for full multi-directional, auto-adjustment of the cushions, without the need of the traditional C-hinge construction. This results in a seamless design, which ensure optimum stability by applying an evenly distributed pressure force onto the user's head and ears. Therefore creating a strong ownable story with regards to comfort and fit

Precise audio

Superior drivers reproduce precise audio quality, delivering the deepest rich bass and crystal clear treble in every piece of music you listen to

Flat-folding design

The headphone can be folded flat for easy carrying and convenient storage when not in use

Comfortable for long wear

The deluxe super soft ear cushions enable you to wear your headphones for as long as you like without discomfort.

Durable aluminium design

Aluminium is light, strong and has a look that complements the headphone's cool design

40mm speaker drivers

With dynamic 40mm speaker drivers these headphones deliver a crystal clear sound experience coupled with a bass thumping performance

1.2m cable

The ideal cable length to give you the freedom to put your audio device where you want.

24k Gold-plated plug

Rest assured that the precious metal gold finishing on the plug will give you a more reliable connection for better quality audio.
